10. Public Comments:

****Rep Ron Kresha** the State surplus is for COVID

A wait to see when the economy will be reopened.

Governor Walz has executive powers – if he will give up the executive order so Congress can be involved in the decision making.

Feds have plan for vaccination so MN Legislature doesn't get informed. Looking at January as waiting for more info.

There was also a conversation about an overpass on Hwy 10 to tie the split of LF TWP. Kresha will start a bonding bill. Huge for economic development in south LF TWP.

**** Dave Becker** given work plan: bulletin boards, inside and outside. 3 touchless sanitizers. Clean out office and move cabinets in.
